

Hoox 3.0 - TWS earphones with lanyard and charging case

SKU: TEJZEARHOOX2BTW

Easy-to-carry earphones with high-definition microphone

Choose the best for music and calls

The **Hox 3.0 earphones** are the best choice if you're looking for **crystal-clear audio** and want your **calls** to be **clear at all times**. The **semi in-ear design** offers your ears optimal comfort, so you can enjoy long, unobtrusive listening sessions. **You will also find a pair of included silicone ear tips**.

The HD microphone guarantees great calls

The Hoox 3.0 microphone is designed make it **easy to chat with the person you're calling**. Thanks to the **Environmental Noise Cancellation (ENC)** technology, external noise is filtered out and reduced **to ensure that your voice can always be heard loud and clear**. These wireless headphones are perfect for leisure and also for work.

The technologies inside offer maximum convenience

These earphones connect to your devices in **wireless** mode: there's no need for cables and you can move freely, even at a **distance of 10 metres** from the connected device. **As soon as they are taken** out of their case **they automatically pair up with each other** thanks to **True Wireless Stereo (TWS)** technology, guaranteeing ideal audio signal stability. They also have **Autopairing** technology: after pairing the Hoox 3.0 earphones with your smartphone, tablet or laptop for the first time, **they will automatically** connect in future. The **Dual Leader technology** allows you to **use one earphone at a time** while the other is charging inside the headset. This means you can use these headphones **as a mono earphone**.

Up to 20 hours of battery life with charging case

On a 100% charge, Hoox 3.0s allow you to listen **music and make calls for up to 4 hours** consecutively. Once the power is empty, simply place them inside the included **charging case** and they will be **ready for use again in 1½ hours**, without having to plug them into a power outlet or powerbank. The case ensures **up to 5 charges**, thus extending the headset's battery life by up to 20 hours. One the case is empty, you can power it up with the **included USB-A - USB-C cable** and charger.

With integrated strap and loop: easy to carry

The TWS Hoox 3.0 earphones are designed to be **carried with** you however you want. They are highly **compact**, so you can put them in your pocket, handbag or backpack without any problems. If you want to attach them to a key ring or clip, the integrated strap and loop ensure practicality and stability. Hoox 3.0s are suitable for every situation.
