

Groove 16 Watt - Wireless speaker, multi-input

SKU: TEJZSPEAKGROOVEK

Wireless stereo speaker, multi-function buttons, TF Card reader, AUX socket, USB input and Micro USB input.

MUSIC ADDICTED

The **Groove wireless speaker** is the ideal choice for those who want an extremely versatile product when listening to music.

WIRELESS MUSIC

You can listen to music on your smartphone through the stereo speaker, all **without the tangle of wires**. Press the on/off button on this accessory and access your phone's Bluetooth settings. Just select "JAZ GROOVE" to activate the pairing between the two devices.

After connecting, simply press the play/pause button to start or stop the tracks. You can control the volume or change tracks depending on how firmly you press the "+" and "-" buttons.

CHOOSE YOUR MOOD

Groove is the ideal solution for listening to your favourite songs in many different ways. At the base of this speaker there is **an input for inserting your USB stick** and a dedicated slot for **Micro SD cards up to 32 GB**.

You can also connect a device to the speaker using a **3.5 mm Jack cable**: simply insert the connector inside the **AUX socket**.

MUSIC ENERGY

To charge the speaker, simply insert the power cord included in the package **into the Micro USB input**. Connect the USB end of the cable to a power source such as a battery charger: The red LED will light up and, once charging is completed, it will turn off automatically.
