

PUNKY TUNE - 5W wireless speaker in collaboration with MTV

SKU: TEJZSPEAKMTVK

The compact wireless speaker is easily transportable thanks to the strap

JAZ and MTV: for real music lovers

Iconic music accessories! They also have a **unique design** with the MTV logo.

Connect this speaker easily to your smartphone, tablet, or laptop

The PUNKY TUNE speaker is totally **wireless**, so you can connect it to your compatible devices wire-free. After the first connection, the speaker will automatically connect to the device. The signal remains stable even at a **distance of 10 meters**, so you can leave your device wherever you like.

Also compatible with TF cards

If you have an SD card (up to 32 GB) you'll be able to play all the music on it. You'll simply need to insert it into the appropriate port.

Splash resistant

It is **IPX4 certified**, which means it is splash and rain resistant. Use it in any weather conditions with peace of mind.

Listen to music and make long calls

No matter how long your playlist is, you will have **4 hours of continuous playback**. What's more, the **built-in microphone** allows you to talk to callers during calls or register voice notes. The 5 Watts of power offer reasonable volume, **ideal for small spaces** like your own living room or bedroom. Once they are out of power, you can recharge the speaker using a power source and the **USB-A - USB-C cable included**.

Integrated wrist strap and multifunction buttons

Touch controls on the speaker ensure optimal control over music and calls **without having to touch the connected device**. In fact, you can play/pause a song, change tracks, answer/end/reject a call, change the listening source and switch the speaker on/off. The integrated strap also ensures optimal practicality and portability.
